Before the Ramble
Preview how wild our
neighborhood truly is
by visiting *Knollwood
Village Wild!* at
[inaturalist.org/projects/
knollwood-village-wild](https://inaturalist.org/projects/knollwood-village-wild)

Join your neighbors on this exciting adventure! We will learn about the natural history of the neighborhood, look and listen for wildlife, and get tips on making your yard nature-friendly.

We also invite you to download the free iNaturalist app to make observations during the Nature Ramble as part of this year's global **City Nature Challenge** and add observations to the **Knollwood Village Wild!** iNaturalist project.

Light snacks and water will be provided. Binoculars, sun hats, and comfortable shoes are encouraged

RSVP REQUIRED - LIMITED SPACES
